

President's Message

NAR President / Nell Owen

Thank you to each of you for paying your NAR and AACA dues. I hope everyone is staying safe (getting vaccinated, wearing masks, etc.) because I hope to see many of you soon. Randy and I have had both our vaccines, but we plan to continue wearing masks when around others to stay safe.

The AACA annual meeting usually held in February in Philadelphia is postponed to June 3-5 this year and will be in Williamsburg, VA. The AACA show in Charlotte is cancelled for Spring so if you had planned to take your car to Charlotte you must wait till Fall. The Central Spring Nationals held in Auburn, IN have been postponed till July 1-3.

For March, we had planned to meet and present the Totcky and Berry Awards to last year's recipients, but due to weather we cancelled this event. We'll present the Awards at a later event.

Traditions Sr. Living in Athens asked us to participate in an event May 1 so we look forward to providing some pretty cars for the residents to enjoy after months of being confined to the facility.

If you have a project ongoing, please send us your info with any before and after pictures so we can put it on the list of possible Totcky Award candidates.

We are moving our car show from May to later in the year and moving it to a location that will have more room to spread out. We will have more on this in the next newsletter. We thank Dan Moore for agreeing to co-chair the car show. If you'd like to help Dan, let me know.

We continue to make plans for events so if you have ideas you'd like us to think about, let me know. Later in the year we will plan to meet inside so stay tuned.

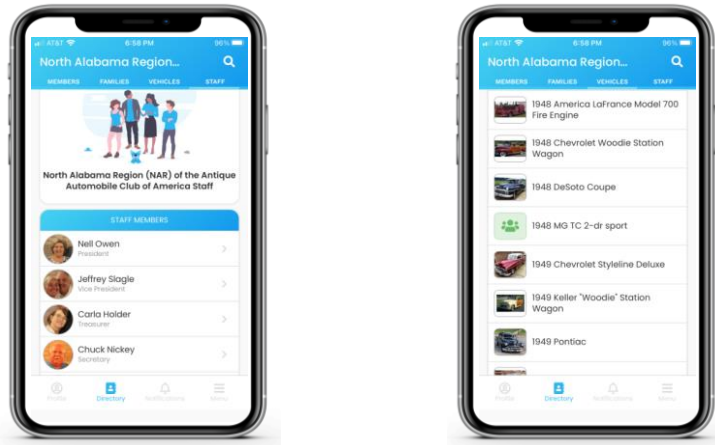

We miss each of you and look forward to seeing you at a meeting (or car show) in the future. Until then stay safe and if you need anything just let us know.

New NAR Online Mobile Directory

Jim True

The latest version (3.0.6) of the NAR Online Mobile Directory has just been released. It comes with many user friendly enhancements. One enhancement is the ability to touch a picture to enlarge it. You can also turn your device horizontal/landscape to make it even larger.

To download the mobile application follow these steps:

1. Search your mobile application store for **Online Member Directory**.

2. On the welcome screen, select **ADD NEW DIRECTORY**.

➕ ADD NEW DIRECTORY

3. Enter your mobile code: **NARAACA**

NARAACA

4. Touch the name of the organization when it appears.

North Alabama Region (NAR) of the
Antique Automobile Club of America

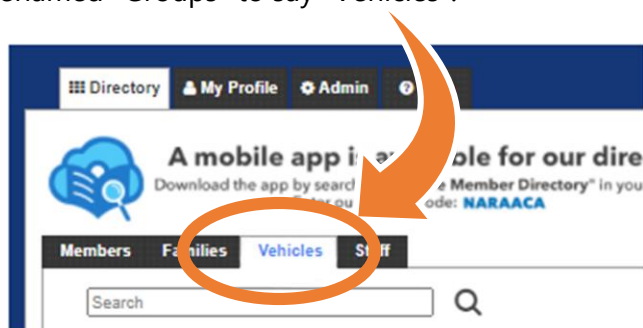

5. Log in with your username and password, and select **Remember Me**.

Note: If you do not have, or forgot your login, please contact Jim True at j.true@mchsi.com and he can reset them for you.

Other points...

1. Downloading the new application doesn't replace the old one. NAR club members can still use the previous version, or they can delete it and then download the latest 3.0.6 version.

2. The app also renamed "Groups" to say "Vehicles".

1964 Mercury Monterey – For Sale

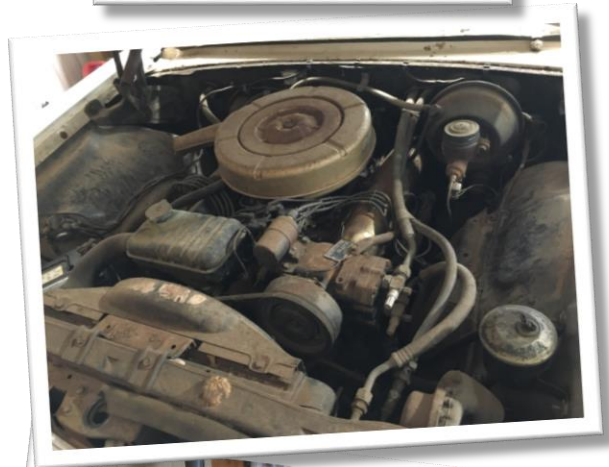

Jim True's next door neighbor, Pat Preston, is selling a car that his family purchased new in 1964. It hasn't been driven for quite some time, but Pat said it does run, although the engine will need to be refreshed. This is a project car, and it has been covered and stored in a garage for several years. Offers are welcome.

Type Vehicle: 1964 Mercury Monterey 4 door Sedan

Odometer: 63,333 miles

Contact: Pat Preston

October Wedding

We are looking for a classic car for wedding photos in October at Harvest Hollow in Toney, Al. Do you have any members that would be interested in playing "Chauffeur" and driving my son and his bride to the top of the driveway as part of their wedding photos?

Thanks,
Kathy McGehee
